

NAVY MARINE CORPS INTRANET

NMCI Progress

June 17, 2003

Presented by
Rear Admiral Chuck Munns
Director, Navy Marine Corps Intranet

Times Are Changing

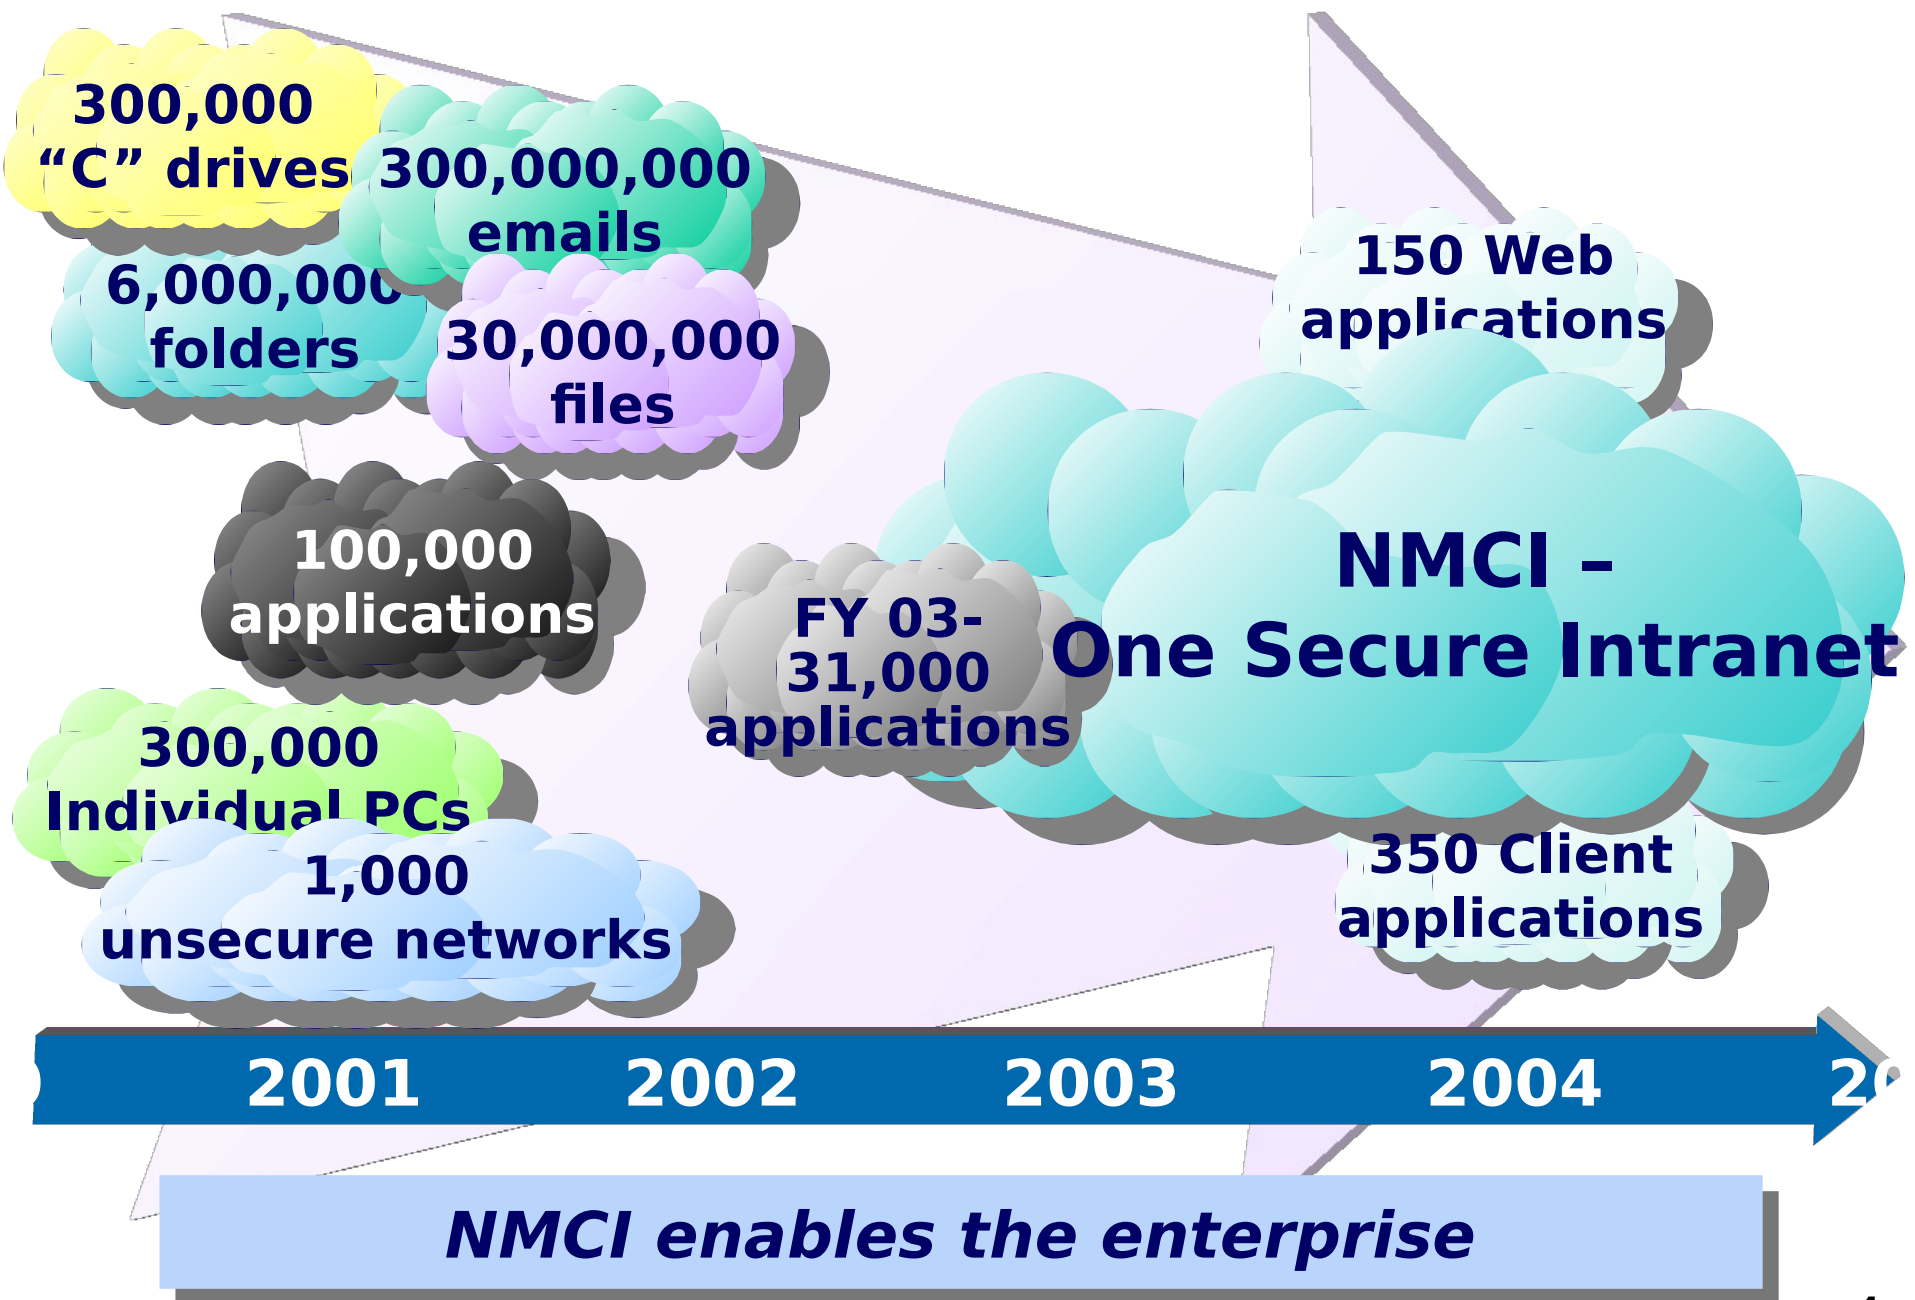

► Four C's and an S

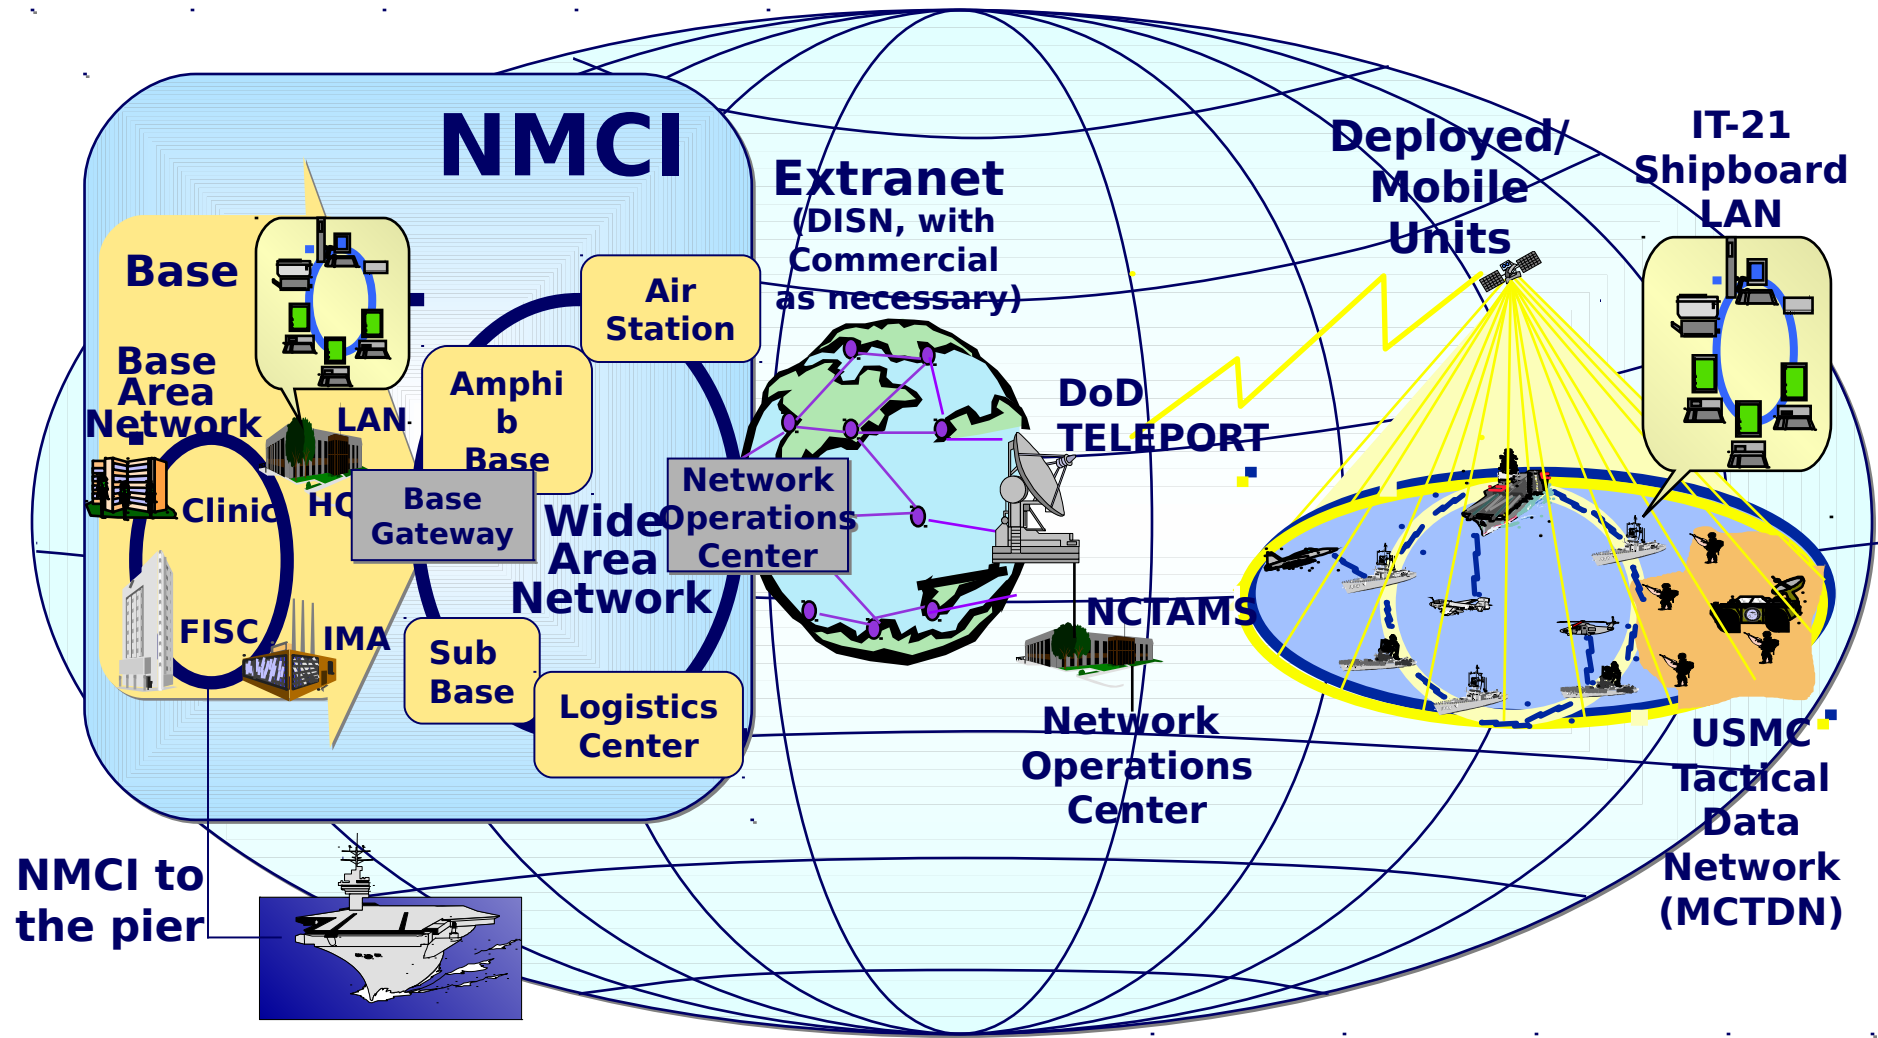

- Correlation of data / information
- Collaboration of ideas / experiences
- Common pictures
- Corporate behavior
- Security of our knowledge systems

► This is a new business model

- This means an intranet - NMCI
- This means change management

NMCI is infrastructure for FORCEnet
